

# At the Heart of the Matter ...

... is a very special sanctuary filled to **capacity** where the most vulnerable of animals live: dogs, horses, goats, sheep, pigs and cows. They are deaf, blind, and mostly senior animals who are facing end-of-life circumstances.

A Chance for Bliss in Penryn is their 'final' stop - where animals live with love and dignity, to the end of their days.

## Help Us Save this Most Special Place

### At best ...

Raising money is urgently needed to save the sanctuary from foreclosure. Strategic planning is already in place for continued fundraising to keep the sanctuary running.

(All money raised during this drive will be placed in a special fund).

A repressed economy and mounting medical bills have made it impossible for the owners to keep up with the mortgage on the sanctuary. They have been served with a Notice of Default from their lender. If \$60,000 is not raised by the end of November, the sanctuary will go into foreclosure and the animals will lose their home. Over 80 animals currently reside at A Chance for Bliss.

### If not ...

If the funds are not raised, foreclosure is inevitable.

All money in the fund will then be directed to relocating the animals, and to provide for all their needs during the transition.
